## Background

### Summary

Chief Operating Officer at The JLC Group of Companies, a privately held entity with offices in both Singapore and the United Kingdom. Responsible for the technical development and key operating strategies within the group, including finance, HR and outsourcing. The JLC Group comprises of the following organisations: JLC Retail - the retail arm of the organisation with sports apparel stores located across Singapore as stand-alone entities and as concessions in major department stores. JLC Events: an Events based company that operates time limited flash sales across Singapore, both directly with major department stores and as stand-alone events. JLC On Line: the on line entity that supports several websites directly under the taskermania.com logo and via third parties including Amazon and eBay. The On line entity also works extensively with Groupon, Deals.com and the Qoo10 platform. The JLC Group, hosts many of the leading global sports brands including adidas, Puma, Reebok, 361 degrees, deuter, Camelbak and Outdoor

#### Market Vice President - ASEAN & Korea

Right Management

October 2010 – July 2011 (10 months)

a Human Capital Strategist focusing on consulting, outsourcing, services, strategy development, and training in the human capital space.

With a strong belief in talent development and management John acknowledges that individuals and organizations have significant untapped potential; with a positive and passion driven engagement he understands and can deliver the solutions to catalyze the best performance from client resources. Increasing staff performance, developing the competitive advantage, reducing costs, reducing staff churn and increasing corporate performance results are just an example of where John can accelerate talent performance.

Volunteer Experience & Causes

**Vice Chairman - Upper Changi Neighbourhood Committee**

People's Association

October 2011 – Present (3 years 10 months) | Social Services

I volunteer as a Grassroots Leader in my local community. This enables me to offer help and assistance to any of my neighbours. I originally joined this organisation in order to meet my neighbours and i am proud to say i now know nearly all of the people who live in our area. I am available to help and assist my neighbours 24-7. We also organise and manage several community events throughout the year including, Chinese New Year Festival. Mid Autumn Lantern festival, Halloween Celebrations and ad hoc

Right Management

**Rene Schouwman**  
co-founder / Director

“ I worked with John for more than 6 years in differed roles. John is a hard working very diverse person with a broad experience (expert) in the Service Outsourcing and Managed Services area. His ability to keep to overall picture and drill down to the details is amazing and one of a kind.

He is able to sell, Implement, trouble shoot and lead complex customer engagements... [more](#)

**Brent Brownell**  
Business Development Leader

“ John Tasker is a big personality, whose plethora of life experiences is second to none. His inspiring tea-leaf reading abilities (his nickname is “The Pope”) result from a keen analytical mind. Having been a colleague of John's nearly a year now, I would highly recommend his expertise in IT Service Outsourcing and Managed Services arena. John is our go-to-guy for an... [more](#)
